Important information about your Purchase Quote

Searches required may vary from region to region. Search packs do not include certain regional searches, for example some areas require a 'Coal Mining' Search and this will attract an additional fee. We will confirm if the property you are buying is in an area where additional searches are recommended.

If more than one Electronic Bank Transfer is required then each additional Transfer will be charged at £30.00 plus VAT.

We will ask you for £350.00 on account along with your signed letter of instruction to start the process of ordering the necessary searches. Any amount unspent will be credited against the final bill. In the event the transaction does not proceed, we cannot reimburse any sums that have been spent on your behalf.

During the course of the transaction, unavoidable, additional disbursements may be incurred. We will advise you of any such costs and they will be payable by you.

The quote is valid for 30 days subject to receiving your instruction. Within this period our fees will not increase.

Please note that fees applicable to the Land Registry will adjust according to the most recent scale at the time your case completes should changes have been made from the date of your instruction.

Our fee is based upon the information provided. If this is incorrect or changes, you should let us know immediately.
